Best,
Laur

Laurie, I am picking up my car at 9am and will be into the office thereafter. I will be back in touch with you this morning with info as per your message.

Good morning Jim!

Thank you for leaving me a voice message yesterday explaining your car situation. I hope the mechanic was able to remedy the problem without too much fuss.

Has there been any news on moving the Board meeting to the 26th?
Also, let's make a note to remember to include the 2015 1st and 2nd Quarterly reports to the City in the Board Packet. For the Treasurer's report I will also need a financial statement. When I come to sign checks next week, we can review J Lastly, Carol tells me that the Board passed a Code of Conduct policy many years ago - might you have it?

Have a great day!

Hugs,

Laurie
